

JUDGE JAMES L. ROBART

UNITED STATES DISTRICT COURT
 WESTERN DISTRICT OF WASHINGTON
 AT SEATTLE

UNITED STATES OF AMERICA,

Plaintiff,

v.

DEVONNE MICHAEL LEE, and
 DEANDRE HOWARD BRADFORD,

Defendants.

CASE NO. CR 06-062 JLR

ORDER

This Court having considered the stipulation of the parties hereby GRANTS the parties' request for a continuance of the trial date and pre-trial motions cutoff date.

Defendants Devonne Michael Lee and Deandre Howard Bradford each indicated his knowing, voluntary, and intelligent waiver of his right to a speedy trial by executing a written waiver of his right to a speedy trial through June 30, 2006.

In view of the parties' agreement to continue the trial date, for the reasons stated in their stipulation, each defendant's knowing, voluntary, and intelligent waiver or anticipated waiver of his right to a speedy trial, the parties' desire to continue to engage in plea discussions, the complexity of the case, the number witnesses, and the interest of the public in ensuring the accused adequate, effective, and continued representation by counsel presently assigned, this Court finds that the ends of justice served by granting a continuance outweighs the best interest of the public and the defendant in a speedy trial.

1 The parties motion for continuance is GRANTED. Trial is reset for June 19,
2 2006, at 1:30 p.m. The Pre-trial Motion cutoff date is reset for May 6, 2006. The
3 time from the filing of the stipulated motion through the new trial date shall be
4 excludable under the Speedy Trial Act, Title 18, United States Code, Section
5 3161(h)(8)(A).
